

Charlotte Götz-Pagni

Bologna

c.goetz@co13.eu

Motivation

Preserve what is of value and tackle what needs to be changed. This is the essence of successful consulting. For me, it's all about addressing complexity without making it complicated. Change is achieved through connection and focus, clarity and ease.

Focus areas

Expert for change processes, large group events, team building, executive coaching, mediation and training.

Positions

- Mag. publ. Communication Sciences
- Certified in systemic organisational consulting, counselling, health coaching
- Trained in NLP, intercultural competence, solution-oriented projects, systemic constellation work, mediation
- Worked as a journalist in Berlin
- Founding member of the Institute for Systemic Counselling and Consulting in Milan (ISKON)
