

# Thomas Hagedorn

## Zurich

t.hagedorn@co13.eu

### Motivation

Different issues call for different approaches. Looking at a situation together. Focusing on the essential. Taking suitable steps: tangible, simple and clear! Every new task arouses my curiosity. What are you facing?

### Focus areas

Expert for systemic and holistic organisational consulting, facilitation of strategy and decision-making workshops, support of team development projects, supervision for consultants, coaching of entrepreneurs and executives, management development, counselling for couples.

### Positions

- Graduated in Educational Science (Diplom-Pädagoge)
- Trained in Business Studies as well as HR and Organisational Development
- Design, management and realisation of personnel and organisational development projects at a major Swiss bank
- Further training in systemic consulting and systemic-integrative counselling for couples
- Independent consultant since 1994
